

Dear Parents,

Stonnington Primary is going mobile! Get notices, news and events sent straight to your smartphone. Add events to your calendar and set reminders. Be alerted to new or changed information.

Konnective is a mobile app solution that will allow us to communicate with you, our parents, straight to your smartphone. We will be sending news, events, photos and more so that you can be even more connected with your children's activities and events at the school. Using the Konnective app, you can add events directly to your phone's calendar, set reminders for things you need to do and receive important alerts (similar to a text message) as soon as they are released.

Via the app, we can send communication to specific grade levels, so you will receive information specific to your child's grade as well as general news, events and updates that will go to everyone. This will extend and enhance our existing communications (eg. Newsletter, website).

We encourage you to be a part of this new school initiative and give us your feedback. Shortly you will be sent an invitation email, which will provide you with instructions on how to download the app and register (it's free), if you wish to do so. For those without a smartphone there is a web mobile version as well as a website version.

Kind regards,

PRINCIPAL

I _____

parent of _____ in LS _____

do/do not wish to be a part of the Konnective initiative.
